**Comments:** (If possible, please reference section and/or page number in document if applicable.)

*I am against transporting or storing  
nuclear waste in Nevada. I  
am concerned for my generation,  
and future generations. My  
concern is water for cooling and  
also the safety and the  
land and the impact of this  
on families that already live  
there. the impact this makes  
on their lives.*

*Thank you  
Lita Piffero  
and family*

*the Indian people have issues  
with these lands!!*
